The Friendship Rhyme

You can be friendly and you can be kind.
Remember this rhyme to keep it in mind.

Having good friends is learning to share.
It can be nice and shows that we care.

Listen to others,
Speak and don't shout

Let's work together.
Don't leave people out.

If someone says stop!
Don't carry on.

Say 'I'm sorry!
Let's get along!'
