

What Works in Knife Crime Education

Based on research from the Youth Endowment Fund (YEF)

What Works Best

Social and Emotional Skills Training

Conflict Resolution Practice

Emotional Regulation Strategies

Trusted Relationships with adults

Social skills training can reduce violent behaviour by up to 17%.

What Doesn't Work on its own

Scare Tactics

Case studies without context

One off assemblies

Passive delivery methods

Our Approach at OpenView Education

- ✓ **Skills based training.**
- ✓ **Learn the warning signs of grooming and how gangs recruit.**
- ✓ **Understanding the law around knife crime.**
- ✓ **Practical ways to access support.**
- ✓ **Learn through role-play**
- ✓ **Not just a one-off: Includes follow on resources**

Empower your pupils to make positive choices for life.
