

THE FRIENDSHIP RHYME

*Be a good friend,
Be kind and share.
Hold the door open,
Show that you care.*

*If someone says stop!
Don't carry on.
Say I'm sorry!
Let's get along!*

*Is someone alone?
Invite them to play,
Include everyone.
There must be a way!*

*Having a friend,
Who's different from you,
Is a great way,
To learn something new.*
