

# The Power of Reading

## Did you know?...

Reading is like having a secret super power!

### Build Concentration:

Focusing on stories helps you pay attention better.

### Improve your Memory:

Remembering what happens in stories boosts your memory skills.

### Explore Exciting Adventures:

Books take you on thrilling journeys to new places and ideas.

### Develop Empathy:

Understanding characters' feelings helps you care about others.

### Learn New Words:

Discovering new words helps you to get better at speaking and writing.
